

## SwissLAB\_2012

Dear SwissLAB\_2011 participants, dear ROREP members, anyone interested

After the first and very successful SwissLAB, which was held in February 2011 in Ascona, we cordially invite you to the next SwissLAB event.

*What is SwissLAB? SwissLAB is a premium networking platform for PhD and Master students, young researchers but also professionals and practitioners in regional and territorial development. In odd years, SwissLAB organises a thematic meeting lasting several days. In even years, shorter meetings are planned to refresh and cultivate the SwissLAB network.*

In 2012, we meet in Andermatt with the following provisional programme:

Friday early afternoon: come together  
Friday afternoon: sightseeing in Andermatt and thematic inputs  
Friday evening: diner and socialising in Andermatt  
Accommodation: in the "Soldatenhaus", a reasonable priced guest house  
Saturday: skiing at Gemsstock (optional)

Date: Friday/Saturday April 13/14, 2012  
Costs: dinner and logistics offered by SwissLAB/ROREP; accommodation (around CHF 40 with), skiing and journey at your own expenses;  
Registration: as soon as possible to Hannes Egli ([hannes.egli@hslu.ch](mailto:hannes.egli@hslu.ch))

If you have any questions, please feel free to contact Hannes Egli ([hannes.egli@hslu.ch](mailto:hannes.egli@hslu.ch))

We are looking forward to seeing you in Andermatt

SwissLAB core group  
Hannes Egli (main organiser of the 2012 event)  
Stefano Wagner (ROREP president)
